

30 YEARS OF EXCELLENCE IN PROVIDING TECHNICAL AND MANAGEMENT EDUCATION

MVJ College of Engineering, the flagship institution of Venkatesha Education Society, founded by the great visionary Dr. M.V. Jayaraman, was established in 1982 with a mission to impart quality technical education and produce some of the best engineers that the country will be proud of. MVJCE is today one of the leading and oldest engineering colleges in South India.

Situated on a 15-acre campus in Whitefield, Bangalore, MVJCE has state-of-the-art infrastructure, creating an environment for progressive learning and development. On the occasion of MVJCE marching towards its 30th anniversary, Mr. Varun Melanta, Director MVJCE shares the journey, the success and the achievements of MVJCE in a conversation with Outlook.

Q) How has the journey been for MVJCE since its inception?

A) Our mission when we started MVJCE was to provide world-class education and prepare people of character, caliber and vision to build the future world. We can confidently say that in the last 29 years, we have nurtured innovation and creativity to create successful engineers year after year. Today we are considered as one of the leading and well-known engineering colleges in South India having produced over 15,000 engineers in the last 3 decades.

We at MVJCE strive to develop individuals who in addition to academic excellence display character and confidence to

become leaders and entrepreneurs

Q) What are the courses delivered at MVJCE? What is the intake every year?

A) For the undergraduate programme, we offer engineering in 12 streams and MTech programme in 6 streams. In addition, we also offer MCA and MBA programmes. Every year 780 students take admission in the undergraduate programmes and 288 in the post graduate programmes

Q) What makes MVJCE special amongst other colleges in Bangalore?

A) At MVJCE we believe that an institution is differentiated by the quality of student inflow, quality of faculty, quality of infrastructure, a management to guide growth and most importantly the institution's reputation with industry.

I can proudly state that we at MVJCE have some of the best students from across the country with a zest to learn and very highly motivated faculty who deliver engineering and management

knowledge of the highest quality. Our management is continuously working towards institution development and setting benchmarks amongst academia. For instance MVJCE was the first college under VTU to offer Aeronautical Engineering for both undergraduate and postgraduate programmes.

We are one among the 37 colleges in Karnataka to be accredited by the software giant TCS. We have also been accredited/ recognized by other IT giants such as Wipro, Microsoft, SAP labs, HCL, Dell etc.

Q) What has been the academic record of MVJCE the past few years?

A) In the last 4 years, our students have secured over 25 University ranks. We have had above 96% results every year.

Q) What have been the other achievements of MVJCE?

MVJCE is ranked among the top 5 colleges under VTU for sports. Our Theatre and Literary clubs have won many intercollegiate competitions in Karnataka. Our Robotics Club is ranked amongst the best in India, having won more than 150 competitions hosted by institutes such as IITs and NITs.

Q) Can you elaborate on the placement cell of the college?

A) In the last 5 years, more than 200 companies have visited MVJCE. Last year alone we had more than 340 students being placed with salaries ranging from 3.0l/ annum to 9.0l/annum. We had companies such as TCS, HCL, Wipro, Dell, SAP Labs, Yahoo, Microsoft, Schneider Electric, HP, Mphasis, IBM amongst others who have recruited our students.
