

**MVJ COLLEGE OF ENGINEERING
DEPARTMENT OF EEE
CLUB ACTIVITY 2016 -2017(EVEN)**

NAME OF THE CLUB : SPARK
EVENT NAME –Technovansa

Our Department club activity TECHNOVANSA was conducted on 10.3.2017. Students assembled around 2.00pm at Seminar Hall 4. The event was conducted as three rounds. For the First round students were asked to prepare a chart on "Clean Energy Environment". One week time was given for making their chart. Marks were allotted for the chart based on the idea they have presented.

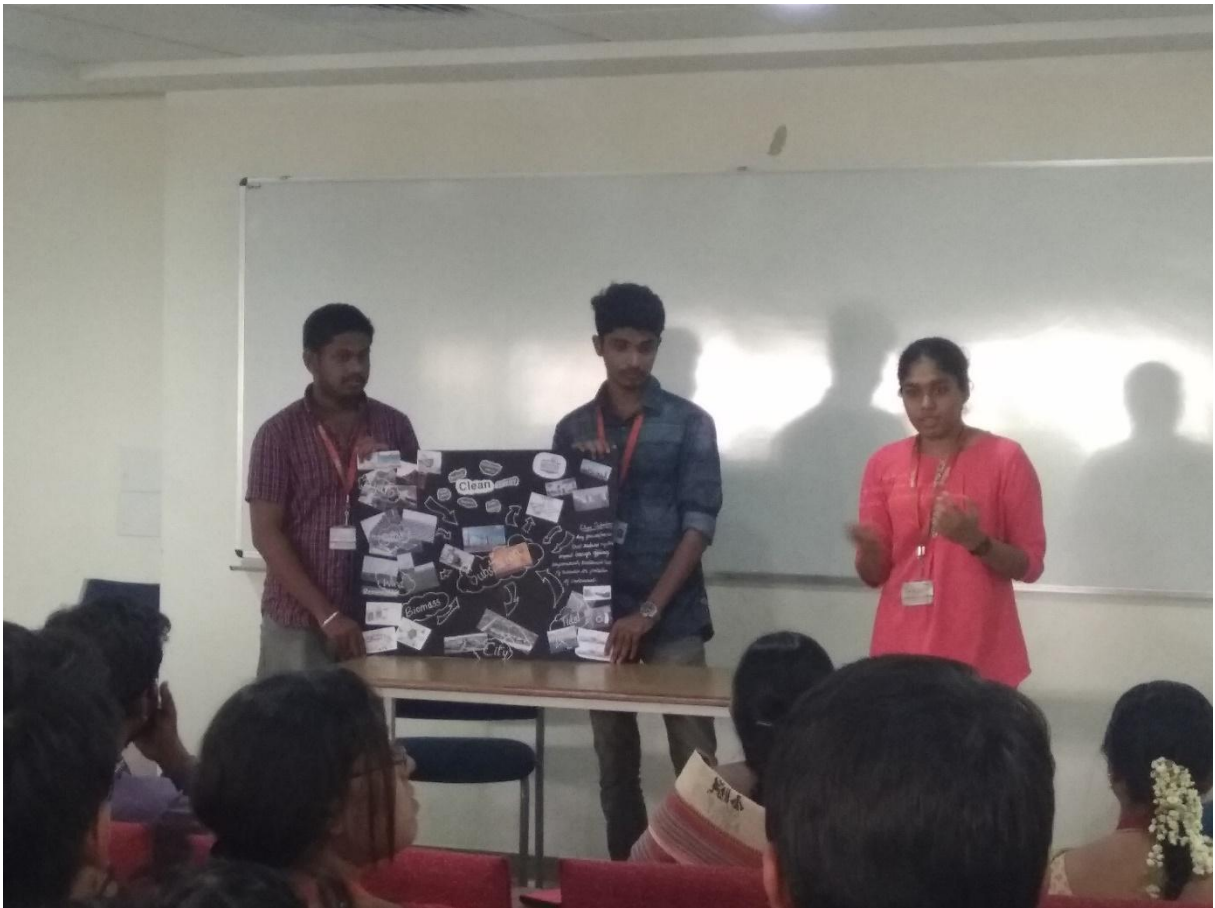

For the second round, the participants were asked to assemble in room number 119 (6th semester) and 120 (4th semester). There were totally 15 teams. Each group was given with two aptitude questions. The first 4 teams solved these questions were selected for the next level of the second round. For the teams who got qualified in the second round, a clue was given by the faculty member who was present in the respective rooms. The clue had the information about the venue, they should proceed for the next level. At the venue a faculty was waiting with a set of questions. The teams who identified the venue and solved the questions were selected for the next round. Five teams were selected for the third round.

In the third round the five teams were asked to do the advertising for the product which they picked up through a lot. They were given 10 minutes of time for preparation. The products given include a 3D printer, MVJCE Inverter, Solar Tree, Smart switches and Home security system. Marks were allotted for this round based on their performance. Finally all the groups were given a chance for explaining their chart work. Prizes were given based on the marks scored in all the 3 rounds.
