

- ☒ Civil Engineering Department @ MVJCE is recognised as Research Centre for doing Ph.D.
- ☒ Civil Engineering has two PG Programmes
  - Structural Engineering
  - Transportation Engineering
- ☒ The major strength of the dept. is due to its multidimensional activities like testing, consultancy works. The dept. is equipped with its own Computer Centre for Research and Development, teaching, training and consultancy.
- ☒ The department faculty have several publications and sponsored R&D projects to their credit
- ☒ Continuous Academic Excellence by securing more University Ranks
  - In the academic year 2011-12 : UG : One Rank
  - In the academic year 2012-13 : UG : Two Ranks
  - In the academic year 2013-14 : PG : One Rank
  - In the academic year 2014-15 : UG : One Rank
  - In the academic year 2015-16 : PG : Two Ranks
- ☒ Undertaken several sponsored research projects from agencies like KSCST and Students are involved in Sponsored Projects

Sl No	Project Title	Year of Sanction	Funding Organization	Faculty Involved
1	Geopolymer as Next Generation Soil Stabilization	2015	KSCST	Dr. K. Asha
2	Pelletization Technique for Manufacture of Flyash aggregates	2014	KSCST	Dr. K. Asha
3	Abrasion Characteristics of Railway Ballast	2012	KSCST	R. Muralidhara

☒ Final year students are doing in-house projects, following is the list of best 3 projects

- o Weigh in motion and automatic signal system

- o Light Weight Concrete

- o Study on light weight Geopolymer aggregates

☒ Students are developing models as a part of SRUSTI Club

☒ Consultancy:

The department is very much into consultancy works towards structural design, project management, testing of various Building Materials i.e., Cement, Steel, Sand, Soil, Bricks, Aggregates, Water etc., and also the department has done Third party Inspection of Panchayat Raj Engineering Division, Bangalore Rural, Bangalore.
