

Seminar On

“Automation Testing with Selenium Web Driver”

The department of CSE, MVJ College of Engineering in collaboration with the CSI Bengaluru Chapter, organized a seminar on “Automation Testing with Selenium Web Driver” on 17th March 2018. The purpose of this seminar is to expose the students in emerging technologies in the area of automation testing. This course provides practical foundation level training that enables immediate and effective participation in automation testing with selenium.

The event began at 8:30 a.m. at seminar hall 6. There were a total of 120 participants which included the CSI student members of CSE and ISE departments. The seminar was hosted by Prof. Ishwari Ginimav (AP/CSE). Prof. I. Manimozhi (HOD/CSE) presented a bouquet to the guest Mr. Anbunathan R. (Hon. Secretary, CSI Bengaluru Chapter) and welcomed him to the seminar. Prof. Kalaimathi B. (AP/CSE) introduced the guest to the gathering. Later the guest addressed the gathering on Automation Testing with Selenium Web Driver.

The session details are as follows

Session 1: Introduction to Software Testing

This session was handled by Mr. Anbunathan R. (Hon. Secretary, CSI Bengaluru Chapter). The presentation included topics such as ISTQB Overview & Syllabus, Principles, Lifecycle, Static testing, Dynamic test techniques, Management, Tools.

Mr. Anbunathan R. (Hon. Secretary, CSI Bengaluru Chapter) is giving a presentation on “Software Testing” during the seminar on “Automation Testing with Selenium Web Driver”, organized by the Department of CSE, MVJCE on 17th March, 2018.

Session 2: Introduction and working of Selenium Tool

This session was handled by Mr. Anbunathan R. (Hon. Secretary, CSI Bengaluru Chapter). The presentation included topics such as Introduction to Automation Testing, Selenium IDE, Selenium RC, Selenium Grid, Selenium Web Driver.

Mr. Anbunathan R. (Hon. Secretary, CSI Bengaluru Chapter) is giving a presentation on “Selenium Testing” during the seminar on “Automation Testing with Selenium Web Driver”, organized by the Department of CSE, MVJCE on 17th March, 2018.

The seminar on “Automation Testing with Selenium Web Driver” gave a brief description about Automation Testing with Selenium, which plays an important role for testing real time web applications. This program included a demo session which showed how selenium provides a playback tool for authoring tests without the need to learn a test scripting language. It also included sessions in which participants were shown how to write tests in different languages. The participants were also shown how tests can be run against most modern web browsers.

Prof. I. Manimozhi (HOD/CSE) is presenting memento to the guest of honor Mr. Anbunathan R. (Hon. Secretary, CSI Bengaluru Chapter) during the valedictory function of the seminar on “Automation Testing with Selenium Web Driver”, organized by the Department of CSE, MVJCE on 17th March, 2018 at Seminar Hall 6.

All the participants with the speaker Mr. Anbunathan R. (Hon. Secretary, CSI Bengaluru Chapter) during the valedictory function of the seminar on “Automation Testing with Selenium Web Driver”, organized by the Department of CSE, MVJCE on 17th March, 2018 at Seminar Hall 6.
