

## World Aids Day -2014

On the occasion World Aids Day observed at MVJ college of Engineering on December 1<sup>st</sup> 2014 NSS Unit of MVJ College of Engineering organized an activity that started with inaugural address by Prof. Ravikanth Talluri, NSS Program Officer on key opportunity to increase awareness, The department actively participates in spreading awareness and believes that the future generation has the ability to sensitize others and prevent spread of HIV. It is an opportunity for every community to unite in the fight against HIV, show support for people living with HIV and remember those who have died. NSS team observed this event by involving volunteers and students in the awareness campaign by an model making competition organized on the theme “Hands up for Prevention” at Rajalakshmi Seminar Hall, about 450 students and 8 staff participated , the winner of the competition was rewarded with certificates.
