

### Report on New Year Celebration-2016

NSS Unit of MVJCE celebrated New Year 2016 in SRI SAI KRUPA CHARITABLE TRUST. This Orphanage has 40 Children of different age groups.

Few faculty members of the college accompanied volunteers to the destination at 1:00 pm on 01/01/2016. We were given a joyful welcome by the kids and staffs of the orphanage. We started with distribution of new cloths to the kids. They were very contented and happy with gifts they received. The kids were very excited and they came dressed up in new dresses given by MVJCE NSS volunteers. The volunteers were pleased seeing the kids' happy and spent time talking and playing with them.

At about 3:00 pm, New Year celebrations began with cake cutting. A cute 2 year old kid Surya cut the cake and the occasion was cheered by all. Soon after, volunteers distributed cakes, snacks to all kids and old age people who are residing in the same campus. Volunteers were glad to interact with old aged people and they exchanged New Year wishes. The program was concluded by a dance program by the kids which made all of us happy and blissful to grace such an occasion. The kids gave shake hands to all of us thanking and wishing us happy New Year while we dispersed. Volunteers left the orphanage heavy heartedly.

Volunteers and Faculties visited were very happy and thanked Prof. Muralidhara. R, program officer, NSS Unit - MVJCE for giving such a wonderful opportunity and memorable moments.
