

Awareness Workshop on IPR, Patents

“Awareness Workshop on IPR, Patents”

Guest Speaker: Dr. Alagumurthy

Title: Awareness Workshop on Intellectual Property Rights, Patents

Timing: 11.00 am to 1.00 pm

Date: 08/10/2012

An awareness workshop on Intellectual Property Rights, Patents on 8th October 2012 was organized. About 150 audience of various department participated in the program. This lecture was organized to inculcate and motivate faculty to file patents.

The abstract of the guest lecture:

In the present lecture Dr. Alagumurthy briefly explained the classifications of Intellectual Property Rights. The classifications include: Patent, Copyright, Trademark, Industrial design, Integrated Circuit Layout, Geographical Indicator, and Trade Secret. Patent is a monopoly right given by the government for 20 years from the date of complete specification. The patent can be filed for a new process or for a new product. The patent procedure has been explained in brief. The importance of claims in filing the patent was introduced. The patentability search has to be performed from European Patent Office, Indian Patent Office and so on.
