

Workshop on ‘Techniques to Implement Technology in Education’, on 3rd August 2019

The Department of CSE, MVJ College of Engineering, organized a Workshop on ‘Techniques to Implement Technology in Education’, on 3rd August 2019, by Dr. Viraj Kumar (Professor, IISc., Bangalore). The purpose of this Workshop was to expose the faculty to the various techniques that one can follow, to implement Technology in Education.

The event began at 9.00 am, at Seminar Hall 4. There were 22 participants from all the Departments. The First session was by Prof. Bhanuteja (AP/ECE), to create animated ppts and videos and the Second session was by Prof. Gopinath (AP/AE).

The welcome address was given by Prof. Sheetal Garg (AP/CSE). Prof. Sheetal Garg introduced the Guest to the faculty members. After this, the session was taken over by Prof. Bhanuteja (AP/ECE).

Session1:

Prof. Bhanuteja started with PowerPoint presentation. He explained how to insert shapes and apply animations for the same. A step-by-step process to design the animation effect was explained. The next step was to convert it to videos. Subsequently, he explained how to add voice over to the videos. For this, he made use of movavi software. The final output was a video with animation and voice over.

Session3:

Dr. Viraj Kumar(Professor, IISc., Bangalore)took over the Third session. He briefed us about the opportunities available in the area of tools that assist the teaching-learning process, and how we could be a part of it.

Participants at the Workshop on ‘Techniques to Implement Technology in Education’, on 3rdAugust 2019, conducted by Department of Computer Science and Engineering

Session 4:

The Vote of thanks was delivered by Prof. Sheetal Garg (AP/CSE).

Outcome of the Workshop

The participants learnt:

1. Animation effect for PowerPoint presentation
2. How to add voice to the video
3. How to add a GIF in PowerPoint
4. How to convert mp4 file to GIF file
5. To explore the various tools to assist the teaching-learning process
